

**SAROSH HASHMAT LODI**  
Meritorious Professor & Vice Chancellor  
NED University of Engineering and Technology  
Ph: 9926-1253 (Off)  
Mobile: 0333-214-1160

E-mail: [sarosh.lodi@neduet.edu.pk](mailto:sarosh.lodi@neduet.edu.pk), [saroshlodi@yahoo.com](mailto:saroshlodi@yahoo.com)

**Qualifications:**

- 2005 National Management Course (82<sup>nd</sup> NMC), Pakistan Administrative Staff College, Lahore.
- 1998 PhD, Heriot-Watt University, UK
- 1988 MS (Structures), Oregon State University, USA
- 1985 BE (Civil), NED University of Engineering and Technology, Karachi, Pakistan

**Work Experience:**

- 2017 – to date Vice Chancellor, NED University of Engineering and Technology
- 2010 – 2017 Dean Faculty of Civil Engineering and Architecture, NED University of Engineering and Technology, Karachi.
- 2003 – 2010 Chairman, Department of Civil Engineering, NED University of Engineering and Technology, Karachi.
- 2010 – to date Meritorious, Professor, Department of Civil Engineering, NED University of Engineering and Technology, Karachi.
- 2005 – 2006 Registrar, NED University of Engineering and Technology, Karachi
- 2000 – 2010 Professor, Department of Civil Engineering, NED University of Engineering and Technology, Karachi.
- 1998 – 2000 Associate Professor, Department of Civil Engineering, NED University of Engineering and Technology, Karachi.
- 1991 – 1998 Assistant Professor, Department of Civil Engineering, NED University of Engineering and Technology, Karachi.
- 1988 – 1991 Lecturer, Department of Civil Engineering, NED University of Engineering and Technology, Karachi.
- 1985 – 1986 Structural Design Engineer, Mehran Engineers and Consultants, Karachi.
- 2001 – 2017 Resource Person, Cowsjee Earthquake Study Centre, Karachi.
- 1998 – 2005 Management Representative for ISO 9000, NED University for Engineering and Technology, Karachi
- 1998 – to date Member, Board of Studies, Board of Faculties, Academic Council, Syndicate and Senate, NED University of Engineering and Technology, Karachi
- 1989 – 1998 Local Coordinator, Ferrocement International Network (Pakistan)

**Other Experiences:**

- 2016 – to date Member, Steering Committee, South Asia Earthquake Network, Abdus Salam Centre for Theoretical Physics.
- 2016 – to date Member, Board of Director Karachi Infrastructure Development Company.
- 2016 – to date Member, Quaid – e – Azam Mazar Management Board.
- 2016 – to date Member Senate, Baluchistan University of IT, Engineering and Management Sciences, Quetta.
- 2016 – to date Convenor, International Affairs Committee, Institutions of Engineer, Pakistan.
- 2015 – to date Member, Steering Committee, Tehran Cluster Countries, UNESCO/ UN Habitat.

2015 – to date	Member, Intergovernmental Coordination Group for the Indian Ocean Tsunami Warning and Mitigation System (ICG/IOTWMS)
2015 – to date	Member, Governing Board, Pakistan Engineering Council.
2015 – to date	Deputy Convenor, Engineering Accreditation Board, Pakistan Engineering Council.
2015 – to date	Member, Public Private Partnership Policy Board, Government of Sindh.
2015 – to date	Member Central Executive Council, Institution of Engineers, Pakistan.
2015 – to date	Member, Pakistan Building Code – Fire Safety Provisions Committee, Pakistan Engineering Council, Islamabad
2015 – to date	Member Central Council, Institutions of Engineer, Pakistan.
2014 – to date	Convenor, Universities Water Network, NED – Hissar Foundation initiative.
2014 – to date	Member, Think Tank, Hissar Foundation.
2013 – 2015	Member, Local Council, Institution of Pakistan, Karachi.
2013 – 2015	Member, Governing Board, Pakistan Engineering Council.
2015 – to date	Member, Engineering Accreditation Board, Pakistan Engineering Council.
2013 – 2015	Vice Chairman, Civil and Structure Division, Institution of Pakistan, Karachi.
2014 – 2014	Member, Pakistan Building Code – Building Energy Provisions Committee, Pakistan Engineering Council, Islamabad
2012 – 2014	Member, Board of Governors, COMMECS Institute of Business and Emerging Sciences.
2012 – 2014	Elected Member, Governing Board Pakistan Engineering Council
2011 – 2013	Member, Syndicate, Balochistan University of Engineering and Technology, Khuzdar
2011 – 2012	Member, Syndicate, University of Sindh, Jamshoro.
2010 – 2013	Member, Syndicate, Mehran University of Engineering and Technology, Jamshoro.
2010	Member, Task Force for Implementation of Energy Building Code of Pakistan, Pakistan Engineering Council, Islamabad.
2009 – 2013	Member, Steering Committee, Earthquake Model for Middle East Region.
2009	Represented Pakistan at 16 <sup>th</sup> Plenary Meeting of International Standardization Organization Committee TC 71 at Cairo, Egypt
2009 – 2011	Convenor, National Building Code – Seismic Provisions Implementation Committee, Pakistan Engineering Council, Islamabad
2008	Represented Pakistan at 14 <sup>th</sup> Plenary Meeting of International Standardization Organization Committee TC 71 at Salvador, Brazil
2006 – 2009	Member, National Highway Board, Ministry of Communication, Government of Pakistan
2007 – 2008	Member, Pakistan Building Code – Seismic Provisions Committee, Pakistan Engineering Council, Islamabad
2005 – 2010	Member, Traffic Management Board, CDGK, Karachi

### **Development of Academic Programmes**

As Chairman, Department of Civil Engineering and Dean, Faculty of Civil Engineering and Architecture initiated and developed following academic programmes:

2011	Bachelor programme in Construction Engineering
2001	Bachelor programme in Urban Engineering
2018	Masters programme in Engineering Law
2016	Master programme in Petroleum Engineering
2012	Master programme in Earthquake Engineering
2010	Master programme in Water Recourse Management

2004 Master programme in Coastal and Harbour Engineering  
2003 Master programme in Construction Management

2005 Post Graduate Diploma in Land Surveying

### **Development Projects**

2017 Acquired funding of Rs. 326 million from Government of Sindh for “Development of Food Engineering Programmes and Allied Facilities”.

2018 Acquired funding of Rs. 230 million for “Development of Sports Facilities for NED University of Engineering and Technology”.

2018 Acquired 195 acres of land at Education City Karachi from Sindh Board of Investment for development of NED University new campus.

### **Development of Laboratories and Research Infrastructure**

2008 – 2011 Designed and developed Pakistan’s first state of the art Advanced Material Testing Laboratory with 5500 ft<sup>2</sup> reaction floor and reaction wall. Commissioned Rs. 120.000 million worth of 5 actuators through Higher Education Funding.

2007 – 09 First Seismic Simulation Laboratory through Rs. 40.000 million funding from higher Education Commission.

1998 Designed and developed Engineering Mechanics Laboratory.

### **Research Refereeship**

Served as referee for the following international research journals.

American Concrete Institute Materials Journal  
American Concrete Institute Structure Journal  
NED University Journal of Research  
Research Journal of UET Lahore

### **Advisory and Editorial Board of Research Journals**

NED University Journal of Research  
Research Journal of UET Taxila

### **Research Projects**

Principal Investigator, “Constitutive Modelling of Ferrocement Elements”, funded by NED University of Engineering and Technology. Project completed in April 2002.

Principal Investigator, “Development of Response Spectra for Southern Coastal Region of Sindh”, funded by NED University of Engineering and Technology. Project completed in February 2006.

Principal Investigator “Development of a Geodetic Control Point at NED University”. Project completed in February 2006.

Co – Principal Investigator, PhD project “Static and Dynamic Stiffness of Pile Foundation”, funded by NED University of Engineering and Technology, currently in progress.

Principal Investigator, “Development of a Strategic Model for Improvement of Construction Project Management Education, Research, and Practice in Pakistan”. Research project funded jointly by Higher Education Commission, Pakistan and USAID. Research completed in December 2009.

Co – Principal Investigator, “Development of Diagnostic Tool for Assessing Seismic Vulnerability of Buildings”, funded by NED University of Engineering and Technology. Project completed in June 2011.

Principal Investigator, “Development of Fragility Curves for Lifelines”. Project completed in 2011.

Co – Principal Investigator, “Building Pakistan’s Capacity for Instruction, Research, and Practice in Earthquake Engineering and Seismic Retrofit”. Research project funded jointly by Higher Education Commission and USAID, completed in April 2012.

Collaborator, "GPS Study of the Kinematics of the India-Eurasia Convergence Zone across the Pamir and Adjacent Terrain". Research project funded by the National Science Foundation, USA in collaboration with the University of Montana and University of Colorado.

Co – Principal Investigator, “Earthquake Model of the Middle East Region (EMME), WP-4”, Research Project funded by Japan Tobacco International, completed in year 2011.

Co – Principal Investigator, “Earthquake Model of the Middle East Region (EMME), WP-5”, Research Project funded by Japan Tobacco International, completed in 2013.

Principal Investigator, “Shake Table Test for Housing Reconstruction in Awaran”, Government of Balochistan, completed in 2014.

Principal Investigator, “Applied Research on Safer Construction and Technology Transfer”, Aga Khan Cultural Services, Pakistan completed in 2014.

Principal Investigator, “Earthquake Hazard and Risk in Karachi” under Pak-3004 Pak – Norway Institutional Cooperation Framework, completed in 2015.

Coordinator, “Training of Trainers”, Sind Technical and Vocational Training Authority (STEVTA), Project, under Sind Skills Development Project (SSDP) completed in 2015.

Principal Investigator, “Development of Probabilistic Flood and Seismic Risk Assessment of Karachi”, funded by the World Bank, completed in 2015.

Principal Investigator, “Development of Probabilistic Flood and Seismic Risk Assessment of Quetta”, funded by the World Bank, completed in 2015.

Principal Investigator, “Development of Probabilistic Flood and Seismic Risk Assessment of Islamabad”, funded by the World Bank, completed in 2015.

Principal Investigator, “Seismic Vulnerability Assessment of Physical Facilities”, Aga Khan Planning and Building Services, completed in 2015.

Principal Investigator, “Establishment of Norwegian Centre of Excellence in Petroleum Studies Pak 3004”, in progress.

Co – Principal Investigator, “Capacity Building for Pakistan in Fire Risk Management”, Research project funded jointly by Higher Education Commission and USAID, in progress.

## Research and Publications:

### *Books Authored*

زلزلہ اور زلزلے کے خطرات کا تدارک

### *Books Edited:*

1. Proceedings of the Third International Conference on Construction in Developing Countries “Advancing Civil, Architectural and Construction Engineering & Management”, ICCIDC-III, 2012, Jointly organized by East Carolina University, USA, NED University of Engineering and Technology, Karachi, Auburn University, USA, Florida International University (FIU), USA and RMIT University Melbourne, Australia. Bangkok, Thailand, July 4-6, 2012.
2. Proceedings of the First International Conference on Construction in Developing Countries, “Advancing and Integrating Construction Education, Research and Practice”, ICCIDC-I 2008, Jointly organised by NED University of Engineering and Technology, Pakistan and Florida International University, USA. Karachi, Pakistan, 4 and 5 August 2008.
3. Proceedings of the Second International Conference on Construction in Developing Countries, “Advancing and Integrating Construction Education, Research and Practice”, ICCIDC-II 2010, Jointly organised by NED University of Engineering and Technology, Pakistan and Florida International University, USA. Cairo, Egypt, August 3-5, 2010.
4. Proceedings of the Second International Symposium on Infrastructural Engineering in Developing Countries, IEDC 2004, 4 September 2004, NED University of Engineering and Technology.
5. Proceedings of the First International Symposium on Infrastructural Engineering in Developing Countries, IEDC 2001, 22 September 2001, NED University of Engineering and Technology.
6. Arif F., Sangi A.J., and Lodi S.H. “Proceedings of 8th International Civil Engineering Congress (ICEC-2016) “Ensuring Technological Advancements through Innovation based Knowledge Corridor” December 23-24, 2016, Karachi, Pakistan, published by Institution of Engineers Pakistan (IEP).
7. Arif F., Gazder U., and Lodi S.H. “Proceedings of 7th International Civil Engineering Congress (ICEC-2015)-Sustainable Development through Advancements in Civil Engineering” June 12-13, 2015, Karachi, Pakistan, published by Institution of Engineers Pakistan (IEP).

### *Chapters in Books*

1. “The Door-Knockers of Mansurah – Strong Shaking in a Region of Low Perceived Seismic Risk, Sindh, Pakistan”, Roger Bilham and **Sarosh Lodi**, IGCP567 Geological Society of America Special Paper 471 "Ancient Earthquakes", Geological Society of America, p 29 –37, November 2010. ISSN: 0016-7606, doi:10.1130/2010.2.
2. “Promoting Entrepreneurship and Business Incubation at Universities”, Dongsung Kong, **Sarosh Hashmat Lodi** and Sohail Bashir, 2014/15 Knowledge Sharing Program with Pakistan: Economic

Development and Managerial Efficiency of Pakistan, Ministry of Strategy and Finance, Korea Development Institute, KPMG and SAMJONG, 2015.

***International Journal Contributions:***

1. “Effects of Elevated Temperatures on Residual Properties of Low Strength Concrete” Muhammad Masood Rafi, Tariq Aziz and **Sarosh H Lodi**, accepted for publication, Journal of Testing and Evaluation, May 2018.
2. “Seismic Risk Reduction in Northern Pakistan”, Rafi MM, **Lodi SH**, Kumar A, Verjee F. Proceedings of the Institution of Civil Engineers - Municipal Engineering 2017: <http://dx.doi.org/10.1680/jmuen.16.00047>.
3. “Comparison of dynamic behaviours of retrofitted and unretrofitted cob material walls”, Muhammad Masood Rafi and **Sarosh Hashmat Lodi**, Bulletin Earthquake Engineering, March 2017, DOI 10.1007/s10518-017-0117-7.
4. “Mechanical Properties of Low Strength Concrete at Exposure to elevated Temperature”, Muhammad Masood Rafi, Tariq Aziz and **Sarosh H Lodi**, Journal of Structural Fire Engineering, JSFE – 11-2016-0017.R1, January 2017.
5. “Development of building inventory for northern Pakistan for seismic risk reduction”, Muhammad Masood Rafi, **Sarosh Hashmat Lodi**, Muhammad Ahmed, Amit Kumar and Firoz Verjee, International Journal of Disaster Resilience in the Built, Environment, Vol., 7 Issue 5 pp. 501 – 520, <http://dx.doi.org/10.1108/IJDRBE-05-2015-0028>, November 2016.
6. “Pakistan's Experience with Post-earthquake Reconstruction and Rehabilitation”, Rafi MM, **Lodi SH**, Bashir S, Jamali A, Nepal Engineer’s Association Technical Journal 2016; XLIII-EC30(1):116-120.
7. “Sustainable post-earthquake reconstruction in Pakistan”, Muhammad Masood Rafi, Noman Ahmed and **Sarosh Hashmat Lodi**, Structures and Buildings, Proceedings of the Institution of Civil Engineers, <http://dx.doi.org/10.1680/jcien.16.00015>, October 2016.
8. “Response of low-quality solid concrete block infilled frames”, Mukesh Kumar, Muhammad Haider and **Sarosh Hashmat Lodi**, Structures and Buildings, Proceedings of the Institution of Civil Engineers, UK, <http://dx.doi.org/10.1680/jstbu.15.00068>, April 2016.
9. “Earthquake Damage Assessment of Bridges in Karachi”, Rashid Ahmed Khan, Mukesh Kumar, Muhammad Ahmed, Muhammad Masood Rafi, **Sarosh Hashmat Lodi**, NED University Journal of Research, Vol. XII, No. 3, December 2015.
10. “Seismic Loss Estimation of Low-Rise Reinforced Concrete Structures in Karachi”, Mukesh Kumar, Rabab Afreen, **Sarosh Hashmat Lodi**, NED University Journal of Research, Vol. XII, No. 3, December 2015.
11. “High interseismic coupling in the Eastern Makran (Pakistan) subduction zone”, NY Lin, R Jolivet, M Simons, P. S. Agram, HR Martens, Z. Li, **S. H. Lodi**, Earth and Planetary Science Letters, Volume 420, 15 June 2015, Pages 116–126 2015.

12. "Factors influencing accuracy of construction project cost estimates in Pakistan: Perception and reality", Farrukh Arif, **Sarosh H. Lodi** and Nida Azhar, *International Journal of Construction Management*, 2015 Vol. 15, No. 1, 59-70, <http://dx.doi.org/10.1080/15623599.2015.1012141>.
13. "Predictive Relationship for Estimation of Vs30 using Shallow Borelogs for Karachi, **Sarosh Lodi**, Mukesh Kumar, Maria Samad, Aisha Wasim, *Geotechnical and Geological Engineering*, Volume 33, Issue 3, pp 559-573, 10.1007/s10706-014-9840-, January 2015.
14. "Observed damages in Pakistan due to 16 April 2013 Iran earthquake", Muhammad Masood Rafi, **Sarosh H Lodi**, Muhammad Ahmed, Naveed Alam, *Bulletin of Earthquake Engineering*, February 2015, Volume 13, Issue 2, pp 703-724.
15. "Liquefaction Potential Along the Coastal Regions of Karachi, **Sarosh H Lodi**, Waqas Sultan, Syeda Saria Bukhary, SFA Rafeeqi, *Journal of Himalayan Earth Sciences*, Vol. 48, No. 1, 2015, pp 89-98.
16. "Chemical and Mechanical Properties of Steel Rebars Manufactured in Pakistan and Their Design Implications", MM Rafi, **Sarosh H Lodi** and Amir Nizam, *Journal of Materials in Civil Engineering*, March, 2013, doi:10.1061/(ASCE)MT.1943-5533.0000812.
17. "Interseismic Strain Accumulation along the Western Boundary of the Indian Subcontinent", Walter Szeliga, Roger Bilham, Din Muhammad Kakar and **Sarosh Lodi**, *Journal of Geophysical Research - Solid Earth*, American Geophysical Union, ISSN: 0148-0227, Vol. 117, 14pp, B08404, doi:10.1029/2011JB008822, Aug. 2012.
18. "Corruption in Public Infrastructure Service and Delivery: The Karachi Case Study", Rafi MM, **Lodi SH**, Hasan NM, *Public Works Management & Policy*, USA, 17 (4), 370-387, ISSN: 1087724X, DOI: 10.1177/1087724X12450642, July 2012.
19. "Factors Affecting Success of Construction Projects In Pakistan", Rizwan U Farooqui, Muhammad Saqib, **Sarosh H Lodi**, and Syed M Ahmed, published in *Malaysian Construction Research Journal*.
20. "Interseismic strain accumulation along the western boundary of the Indian subcontinent", Walter Szeliga, Roger Bilham, Din Mohammad Kakar, and **Sarosh H. Lodi**, *Journal of Geophysical Research*, Vol. 117, B08404, doi:10.1029/2011JB008822, 2012.
21. "Preliminary Evaluation of Attenuation Characteristics of Coastal Belt of Sindh (CBS) with the Aid of Updated Attenuation Models for Eastern Northern America", Mukesh Kumar, **Sarosh H Lodi** and SFA Rafeeqi, *NED University Journal of Research*, Vol. VIII, No. 1, June 2011.
22. "Ferrocement Constitutive Model and Experimental Validation", **SH Lodi**, SFA Rafeeqi, GA Jokhio, *NED University Journal of Research*, Vol. VII, No. 2, December 2010.
23. "An Adaptive Monitoring Model for the Ageing Assessment of Concrete Containment Vessel", SFA Rafeeqi, **Sarosh H Lodi**, Rashid A Khan, N Sahar Zafar, *NED University Journal of Research*, Pakistan, Vol. VII, No. 1, May 2010.
24. "Ranking Construction Superintendent Competencies and Attributes Required for Success in Pakistani Construction Industry", Rizwan U. Farooqui, Sumera Rizwan, Muhammad Saqib and,

**Sarosh H Lodi**, Journal of Civil Engineering and Architecture, ISSN 1934-7359, USA. Volume 4, No.1 (Serial No. 26), January 2010.

25. "Partitioning of India – Eurasia Convergence in the Pamir – Hindu Kush from GPS measurements", S Mohadjer, R Bendick, A Ischuk, S Kuzikov, A Kostuk, U Saydullaev, **S Lodi**, DM Kakar, A Wasy, M A Khan, P Molnar, R Bilham, and AV Zubovich, Geophysical Research Letters, ISSN:0094-8276, Vol, 37, L04305, doi: 10.1029/ 2009 GL041737, 2010.
26. "Fold and Thrust Portioning in a Contracting Fold Belt: Evidence from the 1931 Mach Earthquake in Baluchistan", Walter Szeliga, Roger Bilham, Daniel Schelling, Din Mohamed Kakar, and **Sarosh Lodi**, TECTONICS, VOL.28, TC5019, 13 PP., 2009 doi:10.1029/2008TC002265 2009, ISSN: 0278 – 7404, jointly published American Geophysical Union and European Geosciences Union, October 2009.
27. "Assessing the Project Management Culture in Construction Client Organizations in Pakistan – A Preliminary to Industry Performance Improvement", Rizwan U Farooqui, Syed M Ahmed and **Sarosh H Lodi**, Inaugural issue of the International Journal of Engineering and Management– IJEM, ISSN: 0975-4490, Vol. 1, 2009.
28. "Preliminary geodetic constraints on plate boundary deformation on the western edge of the Indian plate from TriGGnet (Tri-University GPS Geodesy Network)", M Asif Khan, Rebecca Bendick, M. Ismail Bhat, Roger Bilham, Din M. Kakar, S Faisal Khan, **Sarosh H Lodi**, M Sufyan Qazi, Bikram Singh, Walter Szeliga and Abdul Wahab, Journal of Himalayan Earth Sciences, ISSN: 1994-3237, 41 (2008), 71-87.
29. "Models for Tension Stiffening in RC Slabs and Panels", **Sarosh H Lodi**, NED University Journal of Research, ISSN: 1023-3873, Vol. V, No. 2, December 2008.
30. "Assessment of Pakistani Construction Industry – Current Performance and the Way Forward", Rizwan U Farooqui, Syed M Ahmed and **Sarosh H Lodi**, International Journal for the Advancement of Performance Information and Value, ISSN:1941-191X, Volume 1, Issue 1, pages 51 – 72, June 2008.
31. "Assessing Impacts of Low Bid Procurement on Performance of Public Work Construction Projects: A Case Study of Pakistan", Rizwan U Farooqui, Syed M Ahmed and **Sarosh H Lodi**, Journal of Construction Procurement ISSN:1358-9180 13(2), 2007.
32. "Seismic Hazard in Karachi, Pakistan: Uncertain Past, Uncertain Future", Bilham, R, **Lodi, SH**, Hough, S, Bukhary, S, Khan, AM, and Rafeeqi, SFA, Vol. 78, Number 6, pp 601-613, November/ December 2007, Seismological Research Letter, USA. ISSN: 0895-0695.
33. "Deficiencies of the Normal Moment Yield Criterion for RC slabs", IM May and **SH Lodi**, Structures and Building, Artical No. 13614, Vol. 158, Issue 6, Institution of Civil Engineers, UK, December 2005. pp. 371–380, DOI: 10.1680/stbu.2005.158.6.371. (Awarded Howard Medal by the Institution of Civil Engineers, UK), ISSN: 0965-0911.
34. "Behaviour of Reinforced Concrete Beams Strengthened in Shear", Rafeeqi, SFA, **Lodi, SH**, and Wadalawala, ZR, Volume 35, Number 1, pp. 479-489, January 2005, Journal of Ferrocement, ISSN: 0125-1759, IFIC, Thailand.

35. "The Behaviour of Reinforced Concrete Elements Subjected to Bending and Twisting Moments", IM May, P Montague, AAA Samad; **SH Lodi**, AS Fraser, Structures and Building, Vol. SB 146, Issue 02, pp. 161-171, DOI: 10.1680/stbu.2001.146.2.161, Institution of Civil Engineers, UK, May 2001.
36. "Shear Behaviour of Ferrocement Thin Webbed Sections", SFA Rafeeqi, **SH Lodi** and J Qureshi, Cement and Concrete Research, USA, Vol. 25, No. 5, July 1995. ISSN: 0008-8846.
37. "Comparative Evaluation of Reinforcing Bars Produced in Pakistan", Abulhair Masroor and **Sarosh H Lodi**, NED University Journal of Research Vol. 1, No. 2, 35-47, July 1994.

43. "Seismic Risk Assessment of Built Environment in Pakistan", Muhammad Ahmed, **Sarosh Hashmat Lodi**, Muhammad Masood Rafi, Syed Shahid Ali and Naveed Alam, SECED2015 Conference, Cambridge, UK, July 2015.
44. "Shaking table testing of reduced scale stone masonry building", Rafi MM, **Lodi AH**, Qazi SA, Kumar A, Verjee F. International Conference of Structural Engineering (ICSE 2015), Colombo, Sri Lanka, 2015.

45. "Numerical Modelling and Seismic Retrofit Design for Historical Vazir House", Rafi MM, Ahmed AR, **Lodi SH**, Kumar A, Verjee F., ROTECT 2015-Fifth International Workshop on Performance, Protection & Strengthening of Structures under Extreme Loading, Michigan, USA, 2015.
46. "Assessment of Infill Framed Building Constructed after 2005 Earthquake in Muzzafrabad" Aslam Faqeer Mohammad, **Sarosh H Lodi**, 15th World Conference on Earthquake Engineering, Lisbon-Portugal Sept. 24-28, 2012.
47. "Assessment of Seismic Performance of Adobe Structures in Pakistan and Portugal", M. M. Rafi, **Sarosh H Lodi**, Humberto Varum, N. Alam, M. Ahmed, D. Silveira, 15<sup>th</sup> World Conference on Earthquake Engineering, Lisbon-Portugal Sept. 24-28, 2012.
48. "Estimation of Losses for Adobe Buildings in Pakistan" M. M. Rafi, **Sarosh H Lodi**, Humberto Varum, N. Alam, 15th World Conference on Earthquake Engineering, Lisbon-Portugal Sept. 24-28, 2012.
49. "EU-NICE, Eurasian University Network for International Cooperation in Earthquakes" M. Faggella, G. Monti, F. Braga, R. Gigliotti, M. Capelli, Enrico Spacone, M. Laterza, Thanasis Triantafyllou, Humberto Varum, M. Dost Safi, J. Subedi, Amod Mani Dixit, **Sarosh H Lodi**, Z. Rahman, S. Limkatanyu, Y. Xiao, L. Yingmin, H. Kumar, Walter Salvatore, A. Cecchini, Panitan Lukunaprasit, 15th World Conference on Earthquake Engineering, Lisbon-Portugal Sept. 24-28, 2012
50. "Nonlinear Static Analysis of an Infill Framed Reinforced Concrete Building" **Sarosh H Lodi**, Aslam Faqeer Mohammad, 15th World Conference on Earthquake Engineering, Lisbon-Portugal Sept. 24-28, 2012
51. "Seismic Risk Assessment in the Middle East EMME (Earthquake Model of Middle East) Project" Mustafa Erdik, Karin Sesetyan, Mine B. Demircioglu, Cuneyt Tuzun, Domenico Giardini, Babak Mansouri, **Sarosh H Lodi**, Hanan Al-Nimry, Nino Tseretelli, Gohar Hovhannisyanyan, Christis Z. Chrysostomou, Ramy El-Khoury, R. Helou, 15th World Conference on Earthquake Engineering, Lisbon-Portugal Sept. 24-28, 2012
52. "Transforming Census Data in Pakistan into Spatial Database for Earthquake Loss Estimation Models", M. Ahmed, **Sarosh H Lodi**, M. M. Rafi, N. Alam, 15th World Conference on Earthquake Engineering, Lisbon-Portugal Sept. 24-28, 2012
53. "Performance of Ferrocement as Flexural Strengthening in Rural Areas" SFA Rafeeqi, SU Khan and **Sarosh H Lodi**, proceedings of the 10th International Symposium on Ferrocement and Thin Reinforced Cement Composites (FERRO 10), La Havana, Cuba, October 15 to 17, 2012
54. "Factors Affecting Construction Cost in the Pakistani Construction Industry" Rizwan U. Farooqui, Etikaf Hussain, Muhammad Umer and **Sarosh H. Lodi**, Third International Conference on Construction in Developing Countries (ICCIDC-III) "Advancing Civil, Architectural and Construction Engineering & Management", Bangkok, Thailand, July 4-6, 2012.
55. "Dispute Resolution in the Pakistani Construction Industry-An Assessment of Current Methods" Rizwan U. Farooqui, Muhammad Umer and **Sarosh H Lodi**, Third International Conference on

Construction in Developing Countries (ICCIDC–III) “Advancing Civil, Architectural and Construction Engineering & Management”, Bangkok, Thailand, July 4-6, 2012.

56. “Power Potential Assessment and Sensitivity Analysis of a Wind Farm”, Anjum Khalid, **Sarosh Hashmat Lodi**, Muzzaffar Mahmood, The Second International Conference on Renewal Energy Generation and Applications ICREGA’12. U.A.E University Al-Ain, U.A.E., March 4-7, 2012.
57. “Roadmap for Earthquake Mitigation at National Level in Pakistan” **Sarosh H. Lodi**, Muhammad Masood Rafi, International Conference on Earthquake Engineering and Seismology (ICEES 2011), National University of Sciences and Technology, Islamabad, Pakistan, April 25-26, 2011.
58. “Desirable Attributes and Skills for Graduating Construction Management Students”, Rizwan U Farooqui, **Sarosh H Lodi** and Syed M Ahmed, 6th International Conference on Construction in the 21st Century (CITC-VI) Construction Challenges in New Decade. Kuala Lumpur, Malaysia, July 5-7, 2011.
59. “Quantifying Measurement of Successful Construction Project Performance- A Project Manager’s Perspective”, Rizwan U Farooqui, Muhammad Saqib and **Sarosh H Lodi**, 6th International Conference on Construction in the 21st Century (CITC-VI) “Construction Challenges in the New Decade”, Kuala Lumpur, Malaysia, July 5-7, 2011.
60. “An Indigenous Model of Seismic Retrofit of Stone Masonry Structures”, MM Rafi, **S H Lodi** and SFA Rafeeqi, International Conference – Urban Habitat Construction Under Catastrophic Events – COST ACTION – C26, University of Naples, Italy, 16 – 18 September 2010.
61. “Accuracy of Cost Estimates of Construction Projects in Pakistan”, Farrukh Arif, **Sarosh H Lodi** and Rizwan U Farooqui, Second International Conference Construction in Developing Countries, “Advancing and Integrating Construction Education, Research and Practice”, ICCIDC-II 2010, 3 – 5 August 2010, Cairo, Egypt. Jointly organised by NED University of Engineering and Technology, Pakistan and Florida International University, USA.
62. “Empirical Study of Financial Accounting and Cash Flow Management Practices of Construction Contractors in Pakistan”, Rizwan U. Farooqui, Muhammad Saqib, Syed M. Ahmed and **Sarosh H. Lodi**, Second International Conference Construction in Developing Countries, “Advancing and Integrating Construction Education, Research and Practice”, ICCIDC-II 2010, 3 – 5 August 2010, Cairo, Egypt. Jointly organised by NED University of Engineering and Technology, Pakistan and Florida International University, USA.
63. “Bid Procurement Practices in Pakistani Construction Industry – An Assessment of Bidding Requirements, Bidder Qualification & Evaluation Criteria, and Client Satisfaction Index on Traditional Design-Bid-Build Projects”, Rizwan U. Farooqui, Muhammad Saqib, **Sarosh H. Lodi** and Syed M. Ahmed, Second International Conference Construction in Developing Countries, “Advancing and Integrating Construction Education, Research and Practice”, ICCIDC-II 2010, 3 – 5 August 2010, Cairo, Egypt. Jointly organised by NED University of Engineering and Technology, Pakistan and Florida International University, USA.
64. “Risks in Construction – An Empirical Study of the Responsibility Allocation of Risks and Risk Control Measures in the Pakistani Construction Industry”, Rizwan U. Farooqui, Farrukh Arif, Muhammad Saqib and **Sarosh H. Lodi**, Second International Conference Construction in

Developing Countries, “Advancing and Integrating Construction Education, Research and Practice”, ICCIDC-II 2010, 3 – 5 August 2010, Cairo, Egypt. Jointly organised by NED University of Engineering and Technology, Pakistan and Florida International University, USA.

65. “Developing Safety Culture in Pakistani Construction Industry-Site Safety Implementation and Safety Performance Improvement”, Rizwan U. Farooqui, Muhammad Saqib, **Sarosh H. Lodi** and Syed M. Ahmed, Second International Conference Construction in Developing Countries, “Advancing and Integrating Construction Education, Research and Practice”, ICCIDC-II 2010, 3 – 5 August 2010, Cairo, Egypt. Jointly organised by NED University of Engineering and Technology, Pakistan and Florida International University, USA.
66. “Earthquake Performance of RC Structures - Lessons To Be Learnt”, MM Rafi, SFA Rafeeqi, **SH Lodi** and SH Siddiqui, Proceedings of Third International Symposium on Infrastructure Engineering in Developing Countries (IEDC-2010), 1 – 3 July 2010, Karachi, Pakistan.
67. “Contribution of NED University in Earthquake Disaster Management and Related Capacity Building”, SFA Rafeeqi and **Sarosh H Lodi**, Proceedings of Third International Symposium on Infrastructure Engineering in Developing Countries (IEDC-2010), 1-3 July 2010, Karachi, Pakistan.
68. “Creep on the Ornach-Nal Fault, India’s Western Boundary with Asia”, Bilham, R; Szelinga, W; **Lodi, SH**, Proceedings of the Annual meeting of Seismological Society of America, 21 – 23 April 2010, Portland, USA.
69. “Factors Affecting Success of Construction Projects In Pakistan”, Rizwan U Farooqui , Muhammad Saqib, **Sarosh H Lodi**, and Syed M Ahmed, published in 2nd Construction Industry Research Achievement International Conference (CIRAIC2009), Kuala Lumpur, Malaysia, November 3 – 5, 2009.
70. “A Stakeholder Perspective on the Desirable Skills of Project Managers in the Pakistani Construction Industry”, Rizwan U Farooqui, **Sarosh H Lodi**, and Syed M Ahmed, Inaugural Conference Construction in the Muslim World, Kuala Lumpur, Malaysia, Oct. 21-22, 2009.
71. “Adaptive Conceptual Framework for seismic Vulnerability Assessment of Reinforced Buildings in Pakistan”, M Haroon, SFA Rafeeqi and **SH Lodi**, COMPDYN 2009, 2nd International Conference on Computational Methods in Structural Dynamics & Earthquake Engineering, 22-24 June 2009, National Technical University of Athens, Greece.
72. “Performance of Park Structures Made by Ferrocement”, AM Khan, SFA Rafeeqi and **SH Lodi**, Ninth International Symposium on Ferrocement and Thin Reinforced Cement Composites: Green Technology for Housing and Infrastructure Construction, May 2009, Bali, Indonesia.
73. “Quality Culture Auditing for Construction Contractors in Pakistan”, M Saqib, RU Farooqui, **SH Lodi** and SFA Rafeeqi, Fifth International Conference on Construction in the 21st Century (CITC-V), Collaboration and Integration in Engineering, Management and Technology, May 2009, Istanbul, Turkey.
74. “Quantifying the Criteria for Performance Appraisal of Project Managers in Pakistani Construction Industry”, M Saqib, RU Farooqui, **SH Lodi** and SFA Rafeeqi, Fifth International Conference on

Construction in the 21st Century (CITC-V), Collaboration and Integration in Engineering, Management and Technology, May 2009, Istanbul, Turkey.

75. "Detailed Estimating Practices of Construction Firms in Pakistan", Rizwan U Farooqui, Farrukh Arif, Syed M Ahmed, **Sarosh H. Lodi** Fifth International Conference on Construction in the 21st Century (CITC-V), Collaboration and Integration in Engineering, Management and Technology, May 2009, Istanbul, Turkey.
76. "An Assessment of General Trends Adopted for Bidding and Procurement in the Construction Industry of Pakistan", Rizwan U Farooqui, Muhammad Saqib, Farrukh Arif, **Sarosh H Lodi**, First International Conference Construction in Developing Countries, "Advancing and Integrating Construction Education, Research and Practice", ICCIDC 2008, 4 and 5 August 2008, Jointly organised by NED University of Engineering and Technology, Pakistan and Florida International University, USA.
77. "Assessment of Critical Success Factors for Construction Projects in Pakistan", Muhammad Saqib, Rizwan U Farooqui, **Sarosh. H. Lodi**, First International Conference Construction in Developing Countries, Advancing and Integrating Construction Education, Research and Practice, ICCIDC 2008, 4 and 5 August 2008, Jointly organised by NED University of Engineering and Technology, Pakistan and Florida International University, USA.
78. "An Assessment of Contractor Perceptions on Critical Causes of Risks – A Case Study of Pakistani Construction Industry", Rizwan U Farooqui, Syed M Ahmed and **Sarosh H Lodi**, PM-04 – 4th SCPM and 1st IPMA/MedNet Conference Project Management Advances, Training and Certification in the Mediterranean, 29-31 May 2008, Chios Island, Greece.
79. "Assessing the PM Culture in Construction Client Organizations in Pakistan – A Preliminary to Industry Performance Improvement", Rizwan U Farooqui, Syed M Ahmed and **Sarosh H Lodi**, PM-04 - 4th SCPM & 1st IPMA/MedNet Conference Project Management Advances, Training & Certification in the Mediterranean, 29-31 May 2008, Chios Island, Greece.
80. "Preliminary geodetic results from a sparse Central Asian geodetic network", Mohadjer, S, Ischuk, A, Schelochkov, G, Wasy, A, Kakar, D, **Lodi, S**, Bendick, R, Bilham, R, Joint Assembly of the American Geophysical Union, Fort Lauderdale, 27–30 May, 2008, Florida, USA.
81. "A Structured Approach to Develop an Effective Emergency Preparedness and Disaster Response Plan for Contractors", Rizwan U Farooqui and **Sarosh H Lodi**, 4th i-Rec International Conference on Post Disaster Reconstruction, Christchurch, New Zealand, 30th April – 2nd May 2008.
82. "Implementation of Quality Standards in Educational Institutions", M Tufail and **Sarosh H Lodi**, International Seminar on Higher Education in the Muslim World: Challenges and Prospects, March 24 – 25, 2008, International Islamic University of Malaysia, Kuala Lumpur, Malaysia.
83. "Pakistan Construction Industry – Total Quality Management?", Rizwan U Farooqui, **Sarosh H Lodi** and Khaliq – ur – Rashid Kayani, International Workshop on Cement Based Materials and Civil Infrastructure, December 10 – 11, 2007, Karachi, Pakistan.
84. "Assessing the Quality Culture in Client Organizations in Pakistan Construction Industry – A Way Forward to TQM Implementation in Pakistan", Farooqui, RUH, **Lodi, SH**, Rafeeqi, SFA, and Panthi,

K, Fourth International Conference on Construction in the 21st Century Accelerating Innovation in Engineering, Management and Technology, July 11-13, 2007, Gold Coast, Australia.

85. "Risk Management Perceptions and Trends among Contractors in Pakistan Construction Industry", Rizwan U Farooqui, **Sarosh H Lodi** and Farhan Saleem, Fourth International Conference on Construction in the 21st Century Accelerating Innovation in Engineering, Management and Technology, July 11-13, 2007, Gold Coast, Australia.
86. "Engineering Design for Dwellings and Small Housing in Seismically Active Regions of Pakistan: Towards a more holistic approach", Boshier, LS, Sohail, M, **Lodi, SH**, and Rafeeqi, SFA, New Silk Route – Design, Education and Research, February 10 – 11, 2007, Karachi, Pakistan.
87. "ISO 9001 Certification for Higher Educational Institutions in Pakistan", M Tufail and **Sarosh H Lodi**, 1st International Conference on Assessing Quality in Higher Education ICAQHE, 11th – 13th December 2006, Lahore.
88. "Development of GIS Model for SCRS using Conventional and Advanced Earthquake Hazard Estimation Methodologies", **Sarosh H Lodi** and Mukesh Kumar, Seventh International Congress on Advances in Civil Engineering, October 11-13, 2006, Yildiz Technical University, Istanbul, Turkey.
89. "Comparison of Results of Constitutive Model for Ferrocement Elements with Results Obtained Through Conventional Approach", FEERO-8, **SH Lodi**, SFA Rafeeqi, GA Jokhio and AJ Sangi, Eighth International Symposium and Workshop on Ferrocement and Thin Reinforced Cement Composites, Bangkok, Thailand, February 6-8, 2006.
90. "Policy Framework for Management of Physical Infrastructure in Pakistan", **Lodi, SH**, Iqbal, K, Farooqui, RUH, and Rafeeqi, SFA, Third International Conference on Construction in the Twenty First Century (CITC-III), September 15-17, 2005, Athens. Organised by National Technical University of Athens, Athens, and Florida International University, USA.
91. "Prediction of Response Spectral Parameters for Bhuj Earthquake (26th January 2001), Using Component Attenuation Modelling Technique", **SH Lodi** and Mukesh Kumar Fifth Earthquake Resistant Engineering Structures (ERES 2005) Conference, Skiathos, Greece, May 30 - June 01, 2005.
92. "Parametric Study of Ductility in Reinforced Concrete Cross-section", **SH Lodi** and A Jabbar Sangi, Second International Conference on Concrete and Development, April 30- May 02, 2005, Tehran. Organised by Building and Housing Research Centre, Ministry of Housing and Urban Development, Iran.
93. "Metamorphosis of Civil Engineering into Urban Engineering", SFA Rafeeqi and **Sarosh H Lodi**, Second International Symposium on Infrastructural Engineering in Developing Countries, IEDC 2004, September 2004, NED University of Engineering and Technology.
94. "Bridge Database Management System", SFA Rafeeqi, **SH Lodi** and R.A. Khan, Second International Conference on Construction in the Twenty First Century: Sustainability and Innovations in Management and Technology (CITC-II), December 2003, Hong Kong. Organised by Hong Kong Polytechnic University, Hong Kong and Florida International University, USA.

95. "Earthquake Consequences and Response", **SH Lodi** and SFA Rafeeqi, International Seminar on Natural Hazards Monitoring, January, 2002 Karachi, Pakistan. Jointly Organized by ISNET/COMSTECH/ IDB and SUPARCO.
96. "Behaviour of Reinforced Concrete Beams Strengthened in Shear", SFA Rafeeqi, **SH Lodi** and ZR Wadalawala, FEERO-7, Seventh International Symposium on Ferrocement and Thin Reinforced Cement Composites National University of Singapore, June 27-29, 2001.
97. "Non-Linear Analysis of Ferrocement Cross-Sections", **SH Lodi**, SFA Rafeeqi and GA Jakhio, FEERO-7, Seventh International Symposium on Ferrocement and Thin Reinforced Cement Composites National University of Singapore, June 27-29, 2001.
98. "Some observations on the accuracy of the normal moment yield criterion for reinforced concrete slabs", IM May and **SH Lodi**, Concrete Communication Conference, Southampton, UK, July 1998.
99. "The analysis of reinforced concrete slab elements subjected to bending and twisting", **SH Lodi** and IM May, Structural Engineering and Computational Technology Seminar, Heriot-Watt University, 1- 2 May 1995.
100. "Use of recycled concrete aggregate as coarse aggregate in concrete", SFA Rafeeqi, **SH Lodi**, H Iqbal, Eighth International Conference on Solid Waste Management and Secondary Materials, Philadelphia, Pennsylvania, USA, 15-18 Nov. 1992.
101. "Advances in Earthquake Engineering", **Sarosh H Lodi**, Earth Sciences Pakistan 2010: New Developments, September 20-22, 2010, Baragali Summer Campus, Department and National Centre of Excellence in Geology, University of Peshawar.
102. "Earthquake Hazard Assessment Scenario of Metropolitan City of Karachi", **Sarosh H Lodi** and M Kumar, 30th International Nathiagali Summer College on Physics and Contemporary Needs, July 2005, Nathiagali, Pakistan. Organised by Pakistan Atomic Energy Commission.
103. "Integrated System for Bridge Management System", SFA Rafeeqi, **SH Lodi** and RA Khan, Seminar on New Innovations in Bridge Engineering, September 2003, Islamabad. Organised by National Highway Authority.
104. "A Culture of Academic Excellence: Implementing the Quality Principles in Higher Education", **Sarosh H Lodi**, Pakistan's Second National Conference on Quality Assurance in Education 2003, September 2003, Karachi. Organised by Pakistan Institute of Quality Control.
105. "Evaluation of Ferrocement as lining material for canals", SFA Rafeeqi, **SH Lodi** and MM Rafi, National workshop on Water Problems in Pakistan, January 2003, Lahore. Organized by Water and Power Development Authority.
106. "Constitutive Modelling of Ferrocement Elements", **Sarosh H Lodi**, First International Civil Engineering Congress, Institution of Engineers, Karachi, 1-2 February 2000.
107. "Model for post cracking response of reinforced concrete", **Sarosh H Lodi**, First Workshop on Mathematical Modelling: Its Application and Use, Islamabad, 20 – 21, July 1998.

## **AWARDS/ HONOURS:**

Certificate and Shield of Appreciation for development of Fire Safety Provisions 2016, Pakistan Building Code of Pakistan, by President, Islamic Republic of Pakistan, March 2017.

Research Excellence Award, NED University of Engineering and Technology, November 2016.

Gold Medal by NED University Teachers' Association in recognition of Research Contribution. November 2016.

Awarded Howard Medal by the Institution of Civil Engineers, UK, January 2005.

Best Teacher Award by Higher Education Commission, Pakistan for the year 2002 – 03.

Overseas Research Students Award for years 1995 – 96 and 1996 – 97 by Committee of Vice Chancellors and Principals, UK.

Central Overseas Training Scholarship from Ministry of Education, Pakistan, 1994 – 98.

Merit scholarship to study in USA 1986 – 88 from Quaid – e – Azam Aligarh Scholarship Trust, Karachi, Pakistan.

Awarded pride of performance in academic year 1980 – 81, NED University of Engineering and Technology.

Merit scholarship for years 1977 – 79 from Directorate of College Education, Karachi, Pakistan.

## **Countries Visited**

Bangladesh, Brazil, China, Egypt, Ireland, Iran, Italy, Japan, Jordan, Malaysia, Mongolia, Nepal, New Zealand, Norway, Oman, Russia, Saudi Arabia, Singapore, South Korea, Sri Lanka, Thailand, Turkey, UAE, UK, USA, Vietnam.
