

Important Instructions for FYP PPT Presentations

1. Please use the following link to submit your Final FYP presentation.

<https://forms.gle/6huWmcDrrByaYPgbA>

- PPT is required to be submitted **one day prior** to the scheduled day of presentation.
 - Midterm PPT template will be followed for Final Exam presentations.
 - Every student is required to present his/her work orally in front of the examiners.
 - Number of power point presentation slides should not exceed more than **25 slides (including title page, objectives, result, conclusion etc.)**.
 - Time limit for each presentation is **20 minutes**.
 - **Individual evaluation** will be done.
2. Each group needs to bring **Turnitin Report** of their submission duly signed by their Internal supervisor on the day of presentation.
 3. It is to be noted that only the PPT submitted through provided **google link** would be allowed for presentation.
 4. Each group is required to list down the **examiners' comments on a separate A4 sheet** duly signed by their Internal Supervisor.
 5. Each student is required to provide the **Immunization Certificate for Covid-19** on the day of presentation.
